

"It Came to Me in a Program" Tapping the Muse with Hemi-Sync® and SAM

by Leslie France, TMI Projects Manager

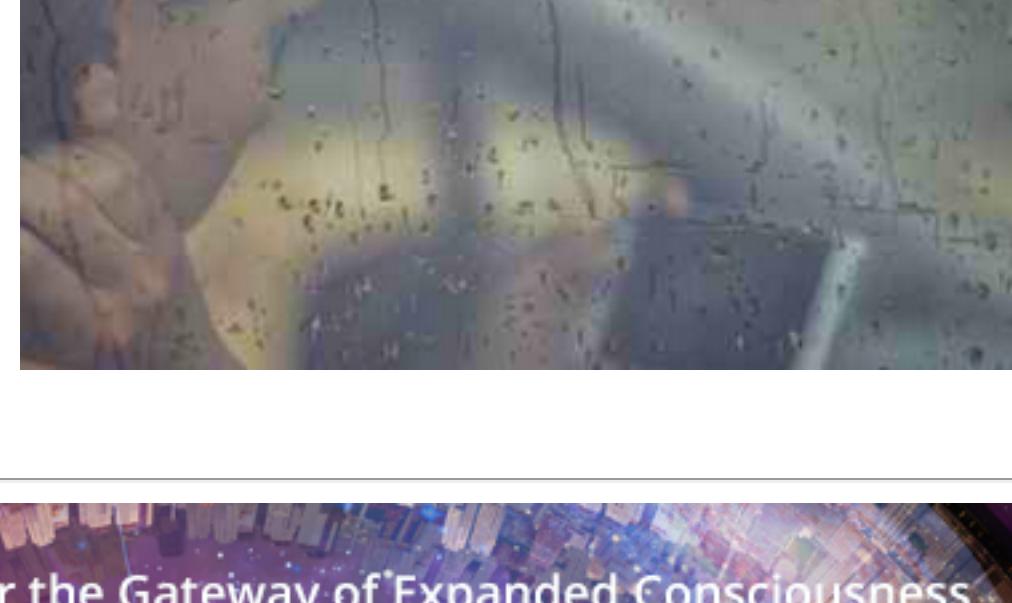

Creativity and inspiration. Where do they come from? Or from whom? How can that wellspring be tapped on demand? The source of creativity and inspiration has been a subject of speculation among humans for millennia. We, each in our own way and time, seek the Muse. [Read More](#)

Channeled, Transcendent Wisdom: It All Goes Back to The Monroe Institute

An interview with Candice Sanderson by Allyn Evans

Like many who attend programs at The Monroe Institute (TMI), Candice "Candie" Sanderson, author of *The Reluctant Messenger: Tales from Beyond Belief*, discovered it is personal experience that transforms us. After that, we are no longer defined by other people's stories. [Read More](#).
